

## **LOVE OF MUHAMMAD (sallAllahu alayhi wasallam)**

The love of Muhammad and his family  
Is my true religion, my reason to be  
And if when I die, my sins are too many  
The love of Muhammad will rescue me. (x2)

**Chorus: Allahumma salli alal Mustafa (x2)**

**Habibuna Muhammad alaihi salaam**

**Habibuna Muhammad alaihi salaam**

May God bless the Bedouin for the question he asked  
It unveiled the secret to the power of love  
The answer to which made Abu Bakr dance  
You'll be with the ones whom you love. (x2)

**Chorus**

For Allah to love you, obey his command  
It says if you love me, then follow Muhammad  
To follow Muhammad, you must love Muhammad  
For how can you follow that which you don't love? (x2)

**Chorus**

If you love Muhammad, you must love everyone  
For his light is truly, inside everyone  
He's a mercy sent to everyone  
Only through love can we all be one. (x2)

**Chorus**
